

THE CANON CLUB Lap Swim Etiquette

Know your space and know your time.

Please be kind enough to share THE LANE,
(not your lane), if need be.

Communicate with the swimmers
BEFORE entering any lane.

Single swimmer, swim on the black line.

Two swimmers, swim on sides of the black line.

Three or more swimmers, circle swimming pattern
keeping to the right of the black line.

In order to allow a maximum number of swimmers...
PLEASE use the following system.

1. Stay on right within each lane,
passing carefully in the middle
2. At each turn (wall) if someone is swimming at a
faster pace, stop and let him or her pass.

Enjoy Yourself & Thank You!!!
